HI !

A tremendous amount of good record product has been coming in the mail. And the next couple of months should be just as exciting with the advent of more super releases.

Because of this, it's important for us to keep in touch! A letter in return would be just swell...phone calls are nice, too.

We will be starting a few specials during our afternoon rock shows (11am-7pm) with your help. Interviews with in-town artists, up-to-date concert information, special recorded concerts and special featured albums should highlight these 8 hours each day. Any help that you could provide will be appreciated by myself and our N.U., Evanston and Chicago audience.

Our program schedule is as follows: 5:30-11:00-Folk, Classical and Public Affairs; 11:00-7:00pm Progressive rock; 7pm-10:30pm-Jazz; 10:30-12:30am-specialty(Country, etc.); 12:30am-5:30am-Free* Form Rock and Jazz. Our complete 24 hour broadcast day with soul, blues and lots more rock and jazz on the weekends.

If there's anything I can do for you, please let me know.

Hope to see you at the Loyola Radio Conference!

Until then,

Mark Guncheon
